

Physician Services

Health and Wellness Professionals can now recommend Lab Tests to clients on Rupa Health through a Signing Physician.*

Sign up free.
Start ordering labs in 60 seconds.

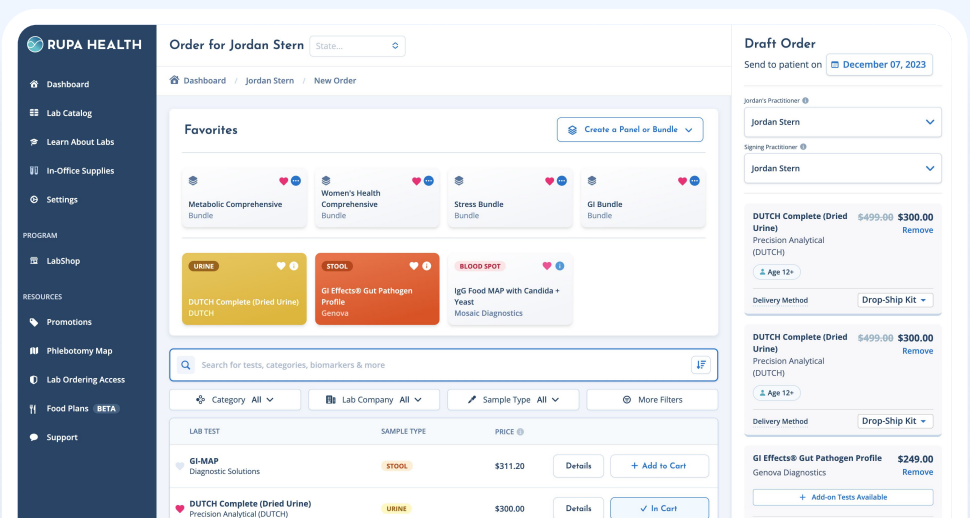

Which best describes you?

☒ Practitioner ☐ Clinic Staff

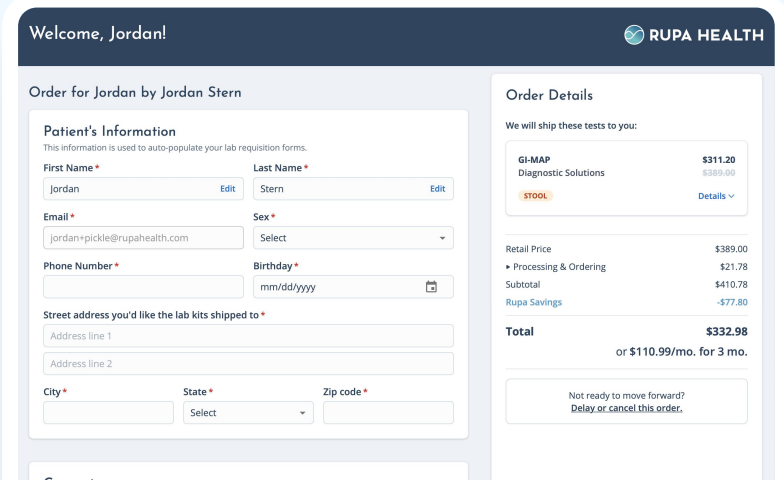

Create an account or join a team?

☐ Create a New Account ☐ Join My Team Already on Rupa

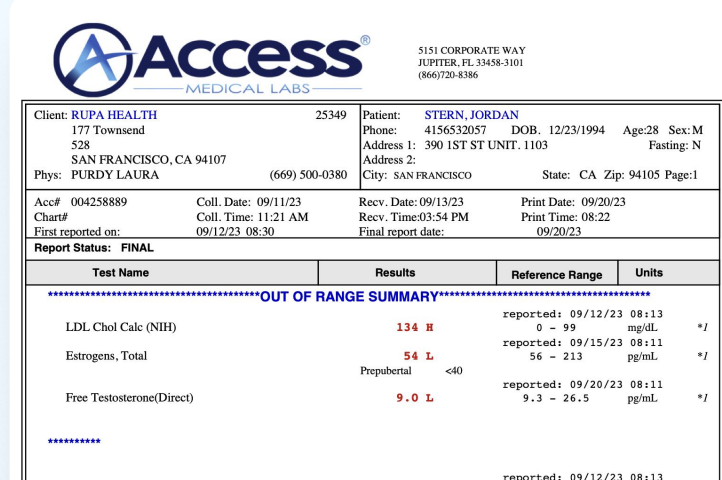

1 Sign up for a Free Rupa Health account with Physician Services.

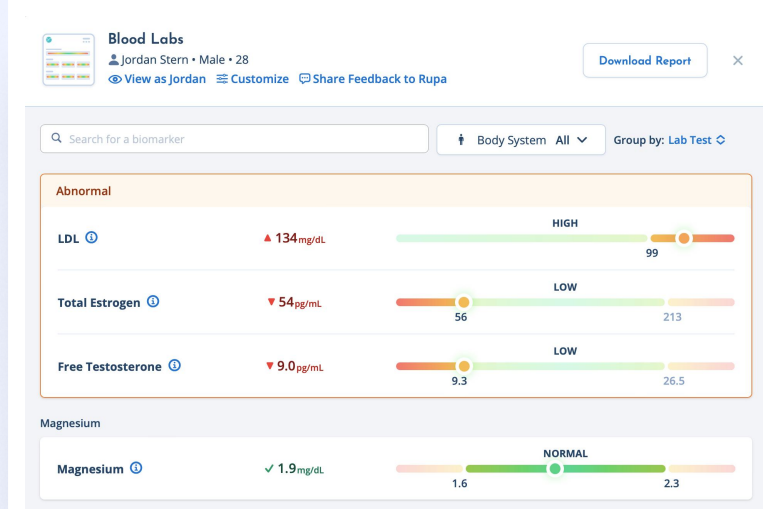

2 Recommend testing to your clients through Rupa.

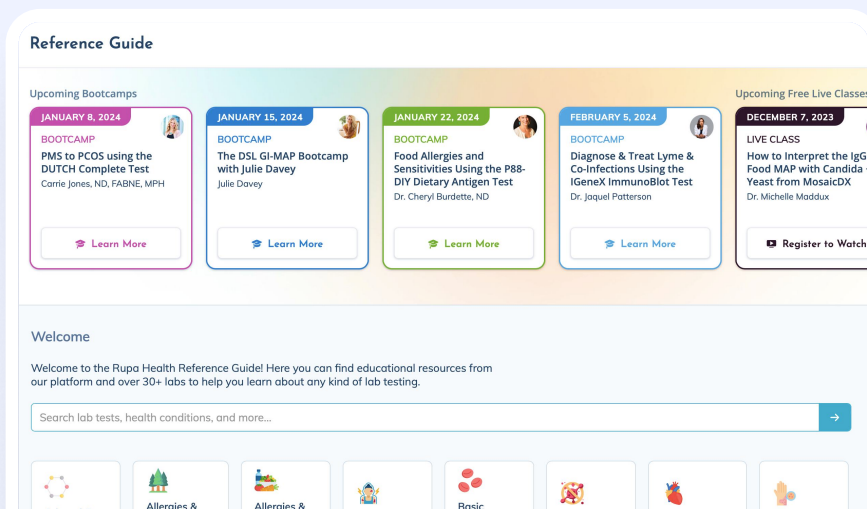

3 Your client gets an email about their testing, and a Signing Physician reviews and places the order. *

4 The Signing Physician reviews for critical results.

5 Results come directly to your Rupa Health Portal.

6 Access Rupa's library of educational resources from industry experts.

*The Signing Physician is a licensed medical professional who reviews results to identify critical values.

Receive **\$100** off your first lab test order when you sign up for Rupa (expires 3/31/2025). Use our QR code or go to rupahealth.com/conferences to apply the promotion.

Grow your practice with a LabShop.

Create a custom e-commerce page to make testing available to your practice's community or educational program participants.

Branded & Custom to You

Include your own logo, description, and video on the LabShop so your clients know the testing is recommended by you!

Use Physician Services for Orders

Lab orders are authorized and reviewed by a signing physician as appropriate. Results still come in to you through Rupa.

Carrie's Interpretation Fee

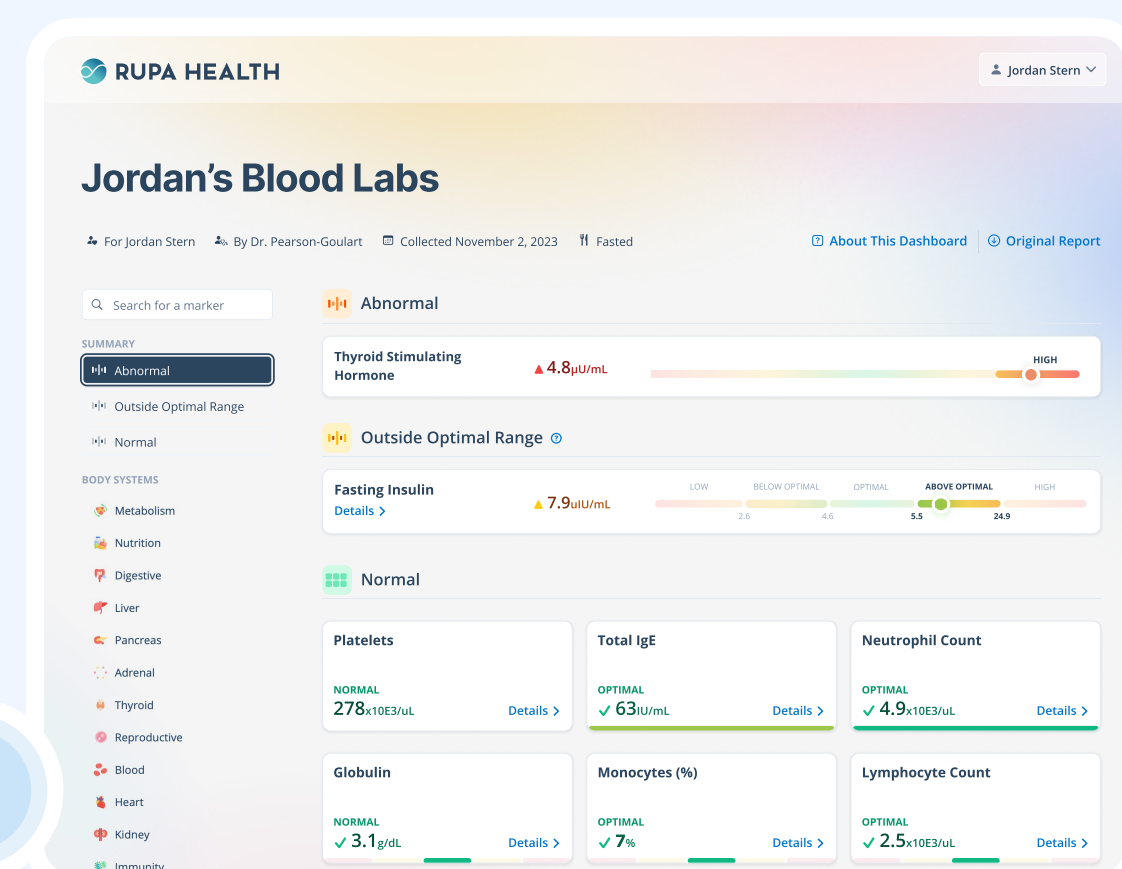

January 1, 2023

PAID OUT

\$150.00

Add Custom Fees & Get Paid Out

Add your own custom fee to each lab test or bundle with a name of your choosing.

Sleek & Modern Experience for Your Clients

We update your client on their order, sending them testing instructions, coordinating phlebotomy, and more.

Receive \$100 off your first lab test order when you sign up for Rupa (expires 3/31/2025). Use our QR code or go to rupahealth.com/conferences to apply the promotion.
